Artists in Ministry Conference

Have you ever wanted to develop and enhance your gifts and talents in the arts? Would your church like to start a ministry team? Vision Productions, Inc. welcomes you to join us for the A.I.M. conference in Kingsport, TN.

A.I.M. is designed to help educate and encourage Christian artists to use their God-given talents to glorify Christ. This week-long conference prepares artists (youth and adults) for ministry. We want to see Christian artists that minister with the highest level of integrity and character.

Attendees will be given a great wealth of information to help guide their individual ministries in the direction the Lord leads.

The concentration for 2015 Artist In Ministry Conference features Song Interpretation, Interpretive Movement, Dance/Drama, and Voice/Worship Band Tracks. Each day will begin at LampLight Theatre located at 140 Broad Street, Kingsport, TN., with a guided personal daily devotion followed by Praise and Worship led by christian music artists and a teaching session led by Billy Wayne. The afternoon will consist of different workshops and classes led by professional christian artists in ministry. After dinner, at 7:00pm, students will gather in creative worship led by Christian artists and teachers, at LampLight Theatre. These services are open to the public Monday - Thursday.

The week-long conference will end with an A.I.M. Showcase performance, which will be open to the public and to family and friends of the students attending. The performance will be held at LampLight Theatre at 140 Broad Street Friday, July 24th at 7:00 PM. This feature presentation will be led by the students who attend the seminar. A love offering will be taken.

Are you ready or do you know of someone that would benefit from A.I.M.? If so, please contact the office to register today at (423) 245-1551 or visit us on the web at www.lamplighttheatre.com!
